

THE CRYING GAME

JODY

I never thought fresh air would taste this good. At least free my hands so I can feed myself.

FERGES

No fuckin' way.

JODY

I'm only joking. Yeah, I was wrong about one thing.

FERGES

Oh. What's that.

JODY

Your no pinup.

FERGES

No?

JODY

No. Your not handsome at all.

FERGES

Are you trying to hurt my feelings?

JODY

No. It's the truth.

FERGES

Well...I could say the same thing about you.

JODY

Could you.

FERGES

But I won't. We're more polite around these parts.

JODY

So I've noticed...that...

FERGES

What is it now?

JODY

Your going to have to do it aren't you?

FERGES

Do What?

JODY

Kill me.

FERGES

What makes you say that.

JODY

They're not gonna let that guy out...and
your gonna have to kill me.

FERGES

They'll let him out.

JODY

You want to bet?

FERGES

I'm not a gambling man.

JODY

And even if they do. You can't just let me
loose.

FERGES

Why can't we?

JODY

Not your nature.

FERGES

What do you know about my nature?

JODY

We're talking about your people...not you.

FERGES

What the fuck do you know about my people.

JODY

Only that your all tuff, deluded mother
fuckers and its not in your nature to let
me go.

FERGES

Shut the fuck up, would you.

JODY

You know a funny thing...

FERGES

No. What's a funny thing...

JODY

I didn't even fancy her.

FERGES

Didn't look like that to me.

JODY

She's not my type.

FERGES

No?

JODY

No. Come here.

FERGES

No.

JODY

Come here. I'm gonna show you something.

FERGES

What.

JODY

Look in my pocket...take out my wallet...open it. Inside there's a picture...no, not that one. there's another...now she's my type.

FERGES

She'd be anyone's type.

JODY

Don't you think of it fucker.

FERGES

Why not?

JODY

She's mine. Anyway she wouldn't suit you.

FERGES

No?

JODY

Absolutely not.

FERGES

She your wife?

JODY

I guess you could say that.

FERGES

You make a nice couple.

JODY

Don't I know it.

FERGES

So what were you fucking around for then?

JODY

You fuckers set me up...that...that bitch...

FERGES

AH...AH...AH...she's a friend of mine.
