

INT. DANIELLE'S SHELTER - DAY

Close-up of the chains. The chains are still around Sayid only he's is not on the bed anymore. He's sitting in a chair, leaning face down on the table.

He suddenly surges awake. He sits back.

DANIELLE ROUSSEAU
*Sorry about the sedative. It was
the only safe way for me to move
you.*

Sayid glances around and sees maps of the island on the table.

DANIELLE ROUSSEAU (CONT'D)
*You offered to fix my music box.
After all I've done to you -- striking
you, shocking you -- why?*

Sayid sits up. He picks up the music box and places it in front of him on the table. Suddenly, a subtle shift in power has occurred. Sayid starts to ask Danielle questions.

SAYID
*Do you want me to fix your music
box, or don't you?*

DANIELLE ROUSSEAU
Yes. (nods) Yes, please.

SAYID
*Then I want to know your name. Your
first name.*

DANIELLE ROUSSEAU
Danielle. My name is Danielle.

SAYID
*And how did you come to been on this
island, Danielle?*

Danielle takes a breath. She sits at the edge of the bed.

DANIELLE ROUSSEAU
We were part of a science team.

SAYID
*A science team armed with rifles.
Was Robert on the team?*

DANIELLE ROUSSEAU
Yes.

SAYID
And Alex -- was he, too?

DANIELLE ROUSSEAU

Our vessel was three days out of Tahiti when our instruments malfunctioned. It was night. The storm ... the sounds ... the ship slammed into rocks, ran aground, the hull breached beyond repair. So ... we made camp. Dug out this temporary shelter. Temporary. Nearly two months we survived here.

SAYID

Your distress signal -- the message I heard -- you said, "It killed them all."

She stands up and takes a couple steps away from Sayid.

DANIELLE ROUSSEAU

We were coming back from the Black Rock. It was them. They were the carriers.

SAYID

Who were the carriers?

DANIELLE ROUSSEAU

The others.

SAYID

(not following) What others? What is the Black Rock? Have you seen other people on this island?

DANIELLE ROUSSEAU

No. But I hear them. Out there in the jungle. They whisper.

She turns and looks at Sayid. He has a sad look on his face as he considers what she's saying.

DANIELLE ROUSSEAU (CONT'D)

You think I'm insane.

SAYID

I think you've been alone for too long.

Tears well up in Danielle's eyes. Sayid's silent as he rubs his eyes.
