

ROBIN

I want to know the bad thing you
were going to tell me.

JOHNNO

Yea?

ROBIN

Yea.

JOHNNO

Now at first I thought they were
gonna be decent and just drive you
home. But when they turned toward
the river it was pretty clear that
wasn't gonna happen.

ROBIN

I remember that turn. Sarge saying
he wanted to show me a secret sand
island. And I said no thank you I
don't have time. And he said that's
ok won't take long. We'll be quick.

JOHNNO

I could hear you screaming. I
actually pissed all over myself.
And then I worked out I could get
out I found a little latch and I
climbed off the back of the truck
and I walked towards the screams.
One of the guys came walking
towards me and he asked me if I
wanted to have a go...I should've
helped you and I didn't.

ROBIN

Is that it?

JOHNNO

I was a coward.

ROBIN

No. There was nothing you could've
done it was four against one.

(Johnno gets up)

You were a kid. Where you going?

JOHNNO

Take the rubbish out.

ROBIN
Right now?

JOHNNO
Yea.

ROBIN
Why can't it wait?

JOHNNO
Cause it can't.

ROBIN
Johnno please can you stay? I have to ask you a question. Did you signal to Sarge's truck? Was that the wave? Why were they waiting near the gate?

JOHNNO
Meaning did I set you up? Did I offer you up to those animals?

ROBIN
Just say no.
(Johnno gathers his things)
Just say no. It's fine. Where are you going? Hey! Hey where are you going? Johnno-

JOHNNO
This is the end.

ROBIN
What do you mean? Come on just say no! Just say no.

JOHNNO
You know!? I was actually beginning to find this much happiness fucking disturbing!

ROBIN
You leave it's over.

JOHNNO
Yea.

ROBIN
You understand that? Where's your resilience? Huh?

JOHNNO

Oh yea that's a fucking great
question! Where is it, where is
it!? I don't know you know anyone
who can fucking share!

ROBIN

Well Fuck you!

Johnno storms off
