INT. LIVING ROOM - NIGHT

ADELE

Anything wrong? I went out for a
drink with colleagues. After work.
Why didn't you call?

EMMA

Did someone drop you off?

ADELE

What?

EMMA

Yea. Who?

ADELE

Girl from work.

EMMA

A girl?

ADELE

Yea.

EMMA

Why the fake address?

ADELE

I didn't want to say I went out
with a girl.

EMMA

Really?

ADELE

Why am I whispering?

EMMA

You're ashamed to be with a girl?

ADELE

No, but they all don't need to
know. Afterwards they start
blabbering. Do you think I'm
ashamed?

Beat.

EMMA
Who is he?

ADELE
Who?

EMMA
The guy who dropped you off.

ADELE
Just a colleague.

EMMA
Think I'm stupid?

ADELE
No.

EMMA
Think I didn't see?

ADELE
A colleague, I swear.

EMMA
I saw him.

ADELE
We work together. Come see. He's a
colleague in another class.

EMMA
Since when do you see him?

ADELE
Since I work there.

EMMA
Really? Why are you lying?

ADELE
I'm not.

EMMA
So why are you crying?

ADELE
I'm not crying.

EMMA
So why the tears?

ADELE
I'm tired.

EMMA

I'm not dumb. Since when do you sleep with him? Huh?

ADELE

I don't sleep with him.

EMMA

Since when are you lying?

ADELE

I don't sleep with him... We had a drunken kiss once.

EMMA

So why are you crying?

ADELE

I regret it.

EMMA

I'm not dumb!

ADELE

I swear.

EMMA

Don't lie!

ADELE

I swear!

EMMA

Since when do you sleep with him?

ADELE

I don't-

EMMA

How many times have you slept with him? Tell me! Since when do you lie? Since when do you think I'm dumb?

ADELE

I never though that.

EMMA

Get out of here! Get out. I don't want a liar here! Pack your stuff and go. Get going! Get lost!

Emma shoves Adele. Adele just stands there.

ADELE

I slept 2 or 3 times with him, I can't remember.

EMMA

2 or 3 times?

ADELE

I didn't tell you...because, I don't know...I couldn't explain it. I knew it was stupid. I felt so alone.

EMMA

Are you in love?

ADELE

Of course I'm not! I just felt all alone. I never wanted to hurt you...Fuck. I'm sorry. It's just that...Fuck this...He's nothing, just a colleague. It was a stupid mistake. I swear. I never wanted to hurt you. I promise I didn't.

Adele tries to hug Emma.

EMMA

Adele, stop-

ADELE

Wait-

Emma shoves Adele off.

EMMA

You hurt me, it's done.

ADELE

No, I swear. It wasn't on purpose. There's no reason.

EMMA

You're a little slut. Little whore. You get fucked, right? You like that? You suck him in his car then kiss me? You dare kiss me? You dare touch me, look at me? You do stuff like that?

ADELE

No-

EMMA
You lie, you talk bullshit, you
talk crap!

ADELE
Sorry.

EMMA
You're a slut!

ADELE
I don't know how to ask for
forgiveness.

EMMA
There is none!

ADELE
Yes.

EMMA
I never want to see your face
again! Pack your bags and get out!
Out of my life!

ADELE
I don't want to hurt you for
nothing.

Adele tries to hold Emma.

EMMA
Get out of here. Stop it.

Emma pushes Adele away.

EMMA (CONT'D)
Get out o here now. Out of my
house.

ADELE
No-

EMMA
Pack up and get out. I don't want a
slut, a whore! Pack your stuff-

Emma goes to closet and pulls out a bag.

ADELE
Let me talk. He means nothing-

Adele tries to stop Emma.

EMMA
I won't talk. Get the hell out-

ADELE
I'm sorry. I don't know why I did
it-

Emma is pulling clothes out of the closet.

EMMA
Your clothes-

ADELE
Let me explain. Please! Let me
explain-

They struggle over the clothes. Emma slaps Adele.

EMMA
Get lost! I never want to see you
again!

ADELE
No!

EMMA
I won't see you again. Out of my
life!

ADELE
Please-

EMMA
Think only you suffer?

Emma continues to pack Adele's bag.

ADELE
It's nothing. Just let me-

EMMA
Too late! Take your stuff. Get out.
No sluts here!

Emma is dragging Adele to the door.

ADELE
I didn't do anything!

They struggle.

EMMA
Stop! I'm not an idiot!

ADELE

Don't do this! Where do I get
without you?

EMMA

See that guy! Go!

ADELE

I don't love him! It's you I love!
I can't go! What will I do? What do
I do? I'm begging you!

EMMA

Get out! Get out! Go!

Emma shoves Adele out the door.

ADELE

(From outside the door)
Open the door! I'm sorry. Let me
talk to you. I'm sorry!

EMMA

(Shouting at the door)
Little whore!...Leave now, Adele!
