INT. SIDWELL INVESTMENT GROUP - A LITTLE LATER
Mike approaches his office to find his secretary, SARAH.

SARAH
Did you bring me lunch?

Mike tosses her a bag of take-out.

MIKE
Chen Dynasty.

SARAH
How many egg rolls are in here?

MIKE
Two.

SARAH
You closed Gillis.

MIKE
I killed Gillis.

As she opens the bag.

SARAH
I hope you told them no mushrooms
in the lo mein.

MIKE
You never told me that.

SARAH
I didn't think I had to.

MIKE
Aren't you supposed to be the one
that takes care of me?

SARAH

And how am I supposed to do that
when there are mushrooms in my lo
mein?

MIKE

Why do I keep you around again?

Sarah whips out several pieces of work...

SARAH

Deal memo on Friedman Technologies,
engagement letter signed by
Stillman, and two front row tickets
to Daft Punk for you and your lady
tonight.

A beat.

MIKE

But why do I keep you around?

Sarah gets serious.

SARAH

Mike, Sidwell's in there waiting
for you. Be careful, he's not in a
good mood.

MIKE

Then it's a good thing I just
killed it with Gillis.
