TANYA

Not quite.

SUIT 1

Think you'll still need us?

TANYA

Sure. Can you guys come back in half an hour?

SUIT 1

If you say so.

The Suits leave the loft. Tanya walks out of frame. James enters frame.

JAMES

Where the fuck is everyone? Tanya?
Agnes? Stella?

James looks around, bored, picks up his copy of the script.

JAMES

Guess I could actually read the thing.

SILVER DRIVES FERRARI/STUDIO BOSS TELLS SILVER WHAT'S WHAT 37

Silver drives, FI script sits on passenger side.

STUDIO BOSS

So Silver...they tell me your new project is going to blow the doors off of everything else this summer...are they lying?

DAVID SILVER

Lying? No sir, not at all, they wouldn't ever lie like that to you.

STUDIO BOSS

That's good to know Silver, thank you for reminding me.

DAVID SILVER

Always a pleasure sir.

STUDIO BOSS

One more thing before we go Silver...they also tell me that it reads great...

Studio boss

DAVID SILVER
It reads excellent sir...perfect.

STUDIO BOSS
But that it's a little thin in the
middle...

Silver's forehead perspires.

DAVID SILVER
I'm sure it'll get filled out sir,
you know how these things
are...it's my job.

The Studio Boss laughs calmly and maniacally.

STUDIO BOSS
You're right Silver. It is your
job.

DAVID SILVER
Yes sir, absolutely sir. Thank you.

STUDIO BOSS
But you gotta use your head, or
else it's your head.

DAVID SILVER
Yes sir. Affirmative Sir. 100%. *

STUDIO BOSS
One last thing Silver. *

DAVID SILVER
Yes sir?

STUDIO BOSS
I'd also like to remind you that
it's your job to keep MY HEAD off
the chopping block with the board.
I understand if you've got no
regard whatsoever for your own
head, the species behaves in
strange ways, I know...but please,
try to have a heart and try to show
some courtesy to your fellow man.

DAVID SILVER
Yes sir, thank you sir. Copy that
sir.

STUDIO BOSS
Have a nice weekend. See you on
Monday.
