A beat.

LAUREN

(quietly)

No.

Lipschultz looks at her with betrayal.

HARPER

Alright, let me give this some thought. I'll make the final decision tomorrow.

LIPSCHULTZ

(to Lauren)

That's your defense?

HARPER

That's all, Harvey.

Kevin hustles, catches up to Christine Banks.

KEVIN

Christine.

She stops.

KEVIN (CONT'D)

Listen. This morning... you just came upon Marshall Walker lying there?

CHRISTINE

Yes.

KEVIN

If I could ask... what'd you need neosporin for?

CHRISTINE

I beg your pardon?

KEVIN

Nurse Drier said you were in last week asking for some antibacterial cream. What'd you need that for?

CHRISTINE

I really don't remember.

Kevin takes her right hand, looks at it.

ANGLE THE HAND

Scrape marks on the knuckles.

RESUME

KEVIN

How'd you scrape your knuckles?

CHRISTINE

I don't know. Probably reaching for a donut.

KEVIN

Between you and me, you have my word. You laid those guys out, didn't you?

A beat.

CHRISTINE

Between you and me?

KEVIN

Totally.

CHRISTINE

(simply)
I laid them out.

KEVIN

Why?

CHRISTINE

I could tolerate being called "The Blob." Don't ask me why, but I learned to live with it. Something about being called "The Titanic"...

KEVIN

That's what they said?

CHRISTINE

They said if you lifted up a fold of fat, you might find Leonardo DiCaprio.

KEVIN

Those are pretty tough guys. You flattened all three of them?

CHRISTINE

My father was a wrestler, he taught me a few moves. The right cross I taught myself.

KEVIN

Well look, be careful, okay? You don't want to be suspended.

CHRISTINE

Those kids will never tell, Mr. Riley. They don't want people to know they were beaten up by a girl.

Buttle comes flying down the stairs, encounters Senate as he emerges from the Dungeon.

BUTTLE

(contained fury)

What the hell are you doing?

SENATE

I'm about to go pee, wanna watch?

BUTTLE

Did you ask Lisa Grier whether she and I were sleeping together?

SENATE

Yes.

BUTTLE

Why?

SENATE

Many reasons, mainly because I wanted to know whether you two were sleeping together.

BUTTLE

You got something to say, Harry, you come to me.
