

KARA - SECOND SCENE

Christine
Kara

INT. ROLAND'S HOUSE - FRONT DOOR - DAY

The door opens--

CHRISTINE

Kara?

Not the person she was hoping for:

KARA

Oh. *Hi, Christine.* Um... is
Professor--

CHRISTINE

--not here, sorry.

KARA

Oh. I just hadn't seen him since...
I heard he was mauled *by a bigfo--*

*
*

CHRISTINE

--animal attack. He's doing better
now. Resigned from the University
though.

KARA

(re: the boxes)
Are you guys--

CHRISTINE

--on the way out of town. New
start.

KARA

Really? He get a new job or--

CHRISTINE

--*did you need something, Kara?*

Kara pulls a KEY from her pocket, a TEDDY BEAR COVER on it:

KARA

I just drove by the other day and
remembered... I forgot to give that
back. Guess it doesn't matter much
now, huh?

Christine smiles:

CHRISTINE

Case closed. Thank you. I'm sure he'll appreciate hearing you stopped by.

Turning to go, then:

KARA

I hope all this at least inspires some good writing. He was a brilliant teacher, you know. He made the work-- hard.

CHRISTINE

...all work and no play makes my Ro-Ro a dull boy, right?

Christine's stare burns into her as the PRINTER goes silent. The door SLAMS.
