HE  
SHE #1-1

SHE

Excuse me. I wonder if you could tell me where I might find Max Corkle? I believe it's along here somewhere.

HE

He's in the locker room. Go back there, around the way you came. If you go back here and take a right and then a left, and then the second door on the right.

SHE

I see. Thank you. He's not expecting me. Is it all right if I just walk in?

HE

Sure. He's the only guy in there. Have we met?

SHE

No, I don't think so.

HE

Nah. I guess we haven't, sorry. What did you think of the game?

SHE

I didn't see it. Does your eye hurt?

HE

No. Look, my name's Tom Jarrett.

SHE

Hello. I'm Becky Logan.

HE

Yeah. Well, nice to meet you.

SHE

You must play for the Rams.

HE  
Yeah. You're interested in football?

SHE  
A friend of mine was.

HE  
Was?

SHE  
Leo Farnsworth.

HE  
I'm sorry. Was he a close friend?

SHE  
Yes. He was very close.

HE  
That's too bad. I'm sorry.

SHE  
Have you put some ice on your eye?  
What is that?

HE  
They turn out the lights when they  
close the place. Here, give me your  
hand. It's all right. There's nothing  
to be afraid of.

SHE  
What did you say?

HE  
What?

SHE  
Just then when you said, there's  
nothing to be afraid of. Your voice  
sounded so familiar.
